

# #9

## ChE Department in the U.S.

(Shanghai Ranking 2022)

# 150+

## Fully Funded Ph.D. Students

Join our world-class, innovative, and rapidly growing research program!

**#4 ChE Department in  
the U.S. Based on Federal  
Research Expenditures**

(National Science Foundation 2022)

**#3 Best Place to Live**

(Raleigh/Durham, U.S. News and World Report 2023)

## Research Thrusts

- Sustainability and Energy
- Materials Design and Manufacturing
- Engineering Life Sciences and Biomanufacturing
- Data and Computational Engineering

## Graduate Programs

M.S. in Chemical Engineering

Ph.D in Chemical Engineering

**Graduate Students, Apply At:**
