BOLDLY INNOVATING FOR SOCIETAL IMPACT

With a graduate degree in chemical engineering from Northeastern University, you will gain a rigorous, experience-powered education. Through cutting-edge research and industry experience, you will be prepared to address pressing global challenges in biomedicine, energy, security, and sustainability.

WHY NORTHEASTERN?

-  Rigorous, experience-powered education
-  Highly accomplished faculty
-  Premier location in Boston
-  Cutting-edge interdisciplinary research
-  Leading cooperative education program
-  Government, industry, and academic collaborations

RESEARCH AREAS

Biomolecular & Biomedical Systems
Complex & Computational Systems
Energy & Sustainability
Engineering Education & Pedagogy
Materials & Nanotechnology

MS + PhD GRADUATE PROGRAMS
